

Appl. No. 10/631,794

Notice of Allowance dated September 17, 2008

**Remarks/Arguments:**

Amendments to claims 5 and 8 are presented herewith in order to correct informalities identified by Examiner Sall during a telephonic interview on November 13, 2008.

Claim 5 has been amended to depend from claim 4 rather than cancelled claim 3.

Claim 8 has been amended to depend from claim 7 rather than cancelled claim 6.

Because the proposed amendments are limited to correcting minor informalities, no additional search or examination is required. The claims are believed to be patentable for the reasons set forth in the amendment filed on August 14, 2008 and were not presented earlier because they only came to the attention of the undersigned during the telephonic interview on November 13, 2008.

Entry of this amendment is respectfully requested.
